### Moving students on from Garageband to Logic Studio

**Date:** Monday 14<sup>th</sup> January 2008

**Time:** 9.30 – 16.00

**Venue:** Brentford City Learning Centre, 5 Boston Manor Road,  
Brentford, Middlesex. TW8 0PG.

Brentford City Learning Centre will be hosting a one-day hands-on course promoting creativity in the classroom using Logic Studio. The session will be led by the excellent Joe Moretti, (<http://www.makemoremusic.co.uk/index.html>) an Apple Distinguished Educator (ADE). Joe works as a freelance musician and music teacher in schools and colleges throughout the UK, teaching pupils aged from 6 to 18. He has a particular interest in teaching music through the use of ICT.

#### Course Details:

The course is aimed at helping teachers to make the transition from Garageband to Logic. No previous experience of Logic is required for this course, although an understanding of Garageband would be useful.

The course aims to:

- Show how to make the smooth transition from GarageBand to Logic Pro
- Outline Logic's main features as a progression from GarageBand
- Give a clear working understanding of the main features of Logic through practical examples
- Outline Logic's features and the Logic Studio so that a complete understanding of Apple's suite of music applications is understood

#### Course registration details:

The cost for this session is £30 which includes all equipment as well as lunch and refreshments.

If you would like to attend this course please email your full name, school and contact details to [david@brentfordclc.org](mailto:david@brentfordclc.org) (tel: 020 8568 7006) and we will reserve you a place. Places are strictly limited and will be allocated on a first-come-first served basis so early booking is strongly advised.

See <http://www.apple.com/uk/education/rtc/> for further information about the RTC initiative.
